**MEMORANDUM FOR: Special Assistant to the Director
for Planning and Coordination**

1. Attached is the original draft which you gave me of your letter to Mr. Armstrong on opening of discussions on NSCID-3, along with a version which we have revised but without intent to change the substance.

2. There is also attached the paper on reallocation of the responsibility for political, cultural and sociological intelligence that we have been discussing, which you may find useful as is or wish the people in this office to revise further.
